

# Paper Bowl Bee

## Supplies

- One Paper bowl
- Yellow and black paint
- Googly eyes
- Laminate pocket sheet
- Laminator
- Felt pens
- Paint brush

- PVA glue
- Scissors

1 Place the bowl upside down. Then paint the whole bowl using yellow paint, before leaving to dry.

2 Using a pencil, draw thick stripes onto the bee's body.

3 Paint alternate stripes in black, then leave to dry.

4 Put the plain laminate pouch through the laminator, then leave to cool.

5 Cut out two wings from the laminate sheet.

6 Stick the wings onto the top of the bee using PVA glue, then leave to dry.

7 Stick googly eyes onto the front of the bowl.
